

Overlapping walk notes — same week as the vendor survey

We walked Ironwharf Canvas and Splitrock Hardware the same afternoon.

Ironwharf Canvas funding was recorded here as \$3.1 million seed, which still disagrees with the Splitrock Hardware funding in this memo is \$2.0 million owner-funded, which does not match the \$ Kelp & Keel Fasteners customers remain sail lofts and canvas shops.

Cobb Wharf Weaving still has no funding figure in any overlapping memo.

Dunlin Bindings still offered no customer list.
